PROFESSIONAL SUMMARY

Engineering student who enjoy creating responsive and user friendly web applications. Knows how to handle problems and fast embracing technologies. Determined to provide scalable & efficient software solutions.

TECHNICAL SKILLS

- **Frontend:** HTML, CSS, JavaScript, React.js,
- **Databases:** SQL.
- **Tools & Technologies:** Git & GitHub, Postman.
- **Programming Languages:** C, Java.
- **CS Concepts:** Data Structures & Algorithms(DSA), OOP's.

TRAINING EXPERIENCE

Java Developer, Promodaddy Digital LLP, Jaipur

May to July 2025

- Development and maintenance of Java-based applications to meet business requirements.
- Troubleshooting and resolution of technical issues to ensure uninterrupted system functionality.

Python Trainee, Zeetron Networks Pvt. Ltd., Jaipur

July to August 2023

- Gained practical experience in Python programming by developing and debugging code for real-world applications, adhering to best practices for clean and efficient solutions

PROJECTS

- **Employee Management System:** Developed a console-based Employee Management System using Java, JDBC, and MySQL, enabling employee record creation, viewing, updating, and deletion. Implemented CRUD operations with secure database connectivity using PreparedStatement and MySQL. Applied Object-Oriented Programming principles and DAO architecture for maintainable and scalable code. Managed employee data with persistent database storage and version control using Git and GitHub.
- **Library Management:** Developed Library Management System with Java and Swing, including book issue, return, and fine calculation. Managed book and member data using Java collections and file-based storage. Applied OOP principles for maintainable code and planned future enhancements like database integration, database management, and real-time data handling.

EDUCATION

B.TECH. Computer Science and Engineering | Poornima College of Engineering, Jaipur

(Rajasthan Technical University) | CGPA : 8.54 | 2022-2026

Modules: Data Structures, Python, SQL, OOPS, Cloud Computing, DBMS, Computer

Networks, Agile, Java, Linux, UNIX, System Design, Software Engineering.

CERTIFICATIONS

- Course Completion Certification : Apna College in DSA with JAVA
- Internship Certification : Promodaddy digital LLP. In Java developer
- Internship Certification : Zeetron Networks Pvt. Ltd. In Python.
- Fintech Hackathon (GeeksforGeeks)

STRENGTHS

- Problem-solving
- Quick in decision making
- Active and Quick Learner
